

50th Annual Respiratory Conference

Prince Waikiki

September 26th and 27th, 2023

Leadership Gathering – evening of September 25th

February 19, 2023

Aloha Irfan,

The Hawaii Society for Respiratory Care (HSRC) 50th Annual Respiratory Conference will be held from September 25 – 27, 2023 at the Prince Waikiki in Honolulu, Hawaii. Our traditional Leadership Gathering Reception will be held the night before the Conference on the evening of September 25th.

It is the hope of our Board of Directors that Aerogen will contribute to the success of our annual conference by your presence as an exhibitor. We have several sponsorship levels to participate. Your generous sponsorship supports the educational content of the conference program and our Respiratory Therapy Program Student Scholarships.

We have two (2) **Maile (Platinum) Sponsorships** that we hope that Aerogen will consider sponsoring our conference and our Leadership Gathering Reception of all the key leadership of all the acute and post-acute care facilities

Our six (6) **Pikake (Gold) Sponsorship** sponsors a speaker from outside of Hawaii. A speaker sponsorship is a great way for your company to help us bring national speakers to the conference. There are up to six (6) opportunities to sponsor a speaker for our conference.

Lastly please consider a **Hibiscus (Silver) Sponsorship** to demonstrate your support of our Respiratory Therapists in our community who worked tirelessly these past two years and are looking forward to seeing their colleagues and vendors whose equipment, medication and supplies were essential during the pandemic.

Sincerely

Gary Y.G. Wong, MBA, RRT

President, Hawaii Society for Respiratory Care (HSRC)

Delegate – Hawaii, American Association for Respiratory Care (AARC)

50th Annual Respiratory Conference

Prince Waikiki

September 26th and 27th, 2023

Leadership Gathering – evening of September 25th

Shipping/Storage: Arrangements for delivery of packages should be made through the Prince Waikiki Catering Department. Meeting/exhibit material shipped to the hotel within a week of the scheduled event will be stored free of charge. ***Storage charges will be assessed if meeting/exhibit material is shipped more than a week of the scheduled event. All shipments to the hotel must be addressed to the attention of the Catering Department for the HSRC Conference.***

Handling charges to move material from storage area to the function rooms will be charged by the Prince Waikiki as follows:

- \$10.00 per box for boxes 2 – 20 lbs.
- \$15.00 per box for boxes 21 – 60 lbs.
- \$30.00 for boxes and crates 60 – 100 lbs.
- Additional charges may be assessed for oversized, heavy boxes and crates.
- Due to safety standards, we cannot move items over 100 lbs.
- The Prince Waikiki will not be responsible for moving any mechanical devices or technical equipment. Guest will be responsible for securing a drayage service to move any mechanical device or technical equipment to and from the exhibit area and designated loading area.

Due to Federal laws regarding **shipment of packages and material shipped out from the hotel**, an authorized representative must be in attendance at time of pick-up to sign shipment forms. Shipping and transit companies are requiring this be done for security purposes.

Accommodations: A block of 20 rooms have been made for the conference. Accommodations can be directly with the Prince Waikiki, the site of the conference. Reservations can be made directly with the hotel.

Parking: No-host \$8.00 per car for self-parking. \$11.00 per car for valet parking. Note: Self-parking is managed by an automated system. Validation will need to be obtained prior to leaving the event. Machine to process payment for No-Host self-parking is located at the Mezzanine level. Additional self-paid parking (no validation) is available in the Marina and at the Marina Parking Garage (1785 Ala Moana Blvd – entry after Red Lobster)

Promotion of your Sponsorship: The Hawaii Society for Respiratory Care is extremely grateful for your generous support of our Society and annual conference. Please provide a company logo (jpeg/pdf) and short caption (limit of 2,200-character count) about your company for our HSRC Facebook page
