Dear Second Year KCC Respiratory Therapy Student,

On behalf of the Hawaii Society for Respiratory Care's Board of Directors, I would like to invite you to apply for one of two (2) HSRC Respiratory Care Student Scholarship Awards. The amount of each award is \$ 1,000 this year.

For more than 20 years, the HSRC has provided these cash awards to assist students enrolled in their second year of study in the Respiratory Therapy Program at Kapi'olani Community College.

Attached are the following forms:

- Description of Award Purpose & Requirements
- Student Scholarship Award Application
- Applicant's Confirmation of Community Service
- Applicant's Performance Evaluation by Preceptor

The deadline for receipt of all the materials that comprise your application is September 15, 2023. Please read over each form carefully. Point out the deadline to your community service organization supervisor and preceptors when you ask for their assistance. Your responsibility will be the application form, transcript/printout of GPA and the 4 questions.

The awards will be presented at the 50th Annual Respiratory Care Conference in September.

Questions may be directed to me at rshimabukuro@islandsnr.com

Aloha & Best Wishes,

Becky Shimabukuro, RRT
